

from "THE PLAN"
(CHINA COWBOY)

The mother pictures the stories seeping fast down
the highrise *LALAIMISSING* Stories about the mother
just as many stream in The stories go PICTURE THIS
"There stayed for the last time a cowgirl She made time
music in a music box looping She stayed in a highrise
in Sham Shui Po Last seen she was singing Last seen
she was screaming She wore the sun like jewelry She never
pretended to get married She wore the sun and tried to grow
staying awake in that stupid space last seen in the daylight
by no one Still starring anymore in stories in
last scenes So PICTURE THIS:"

When Bill was someone else someone smaller someone's
son he done some things he wished he
didn't Such as: *before you check-out make sure you
stifle all your shit with a tight-fitting lid* he said
to himself *in your opinion is this lid tight-fitting? Tight as ripe*
he answered pushing nothing into the world from
between his legs except another pair of pants with keys
low in the sagging pocket He took the keys
over to a punch-bright pickup truck parked on dead
grass and ran over as much as possible *g u n n
